11, TATA Vendor Park, IIE, SIDCUL
Pantnagar, Dist. U.S.Nagar,
Uttarakhand-263153

Unit -2

JAI HIND AUTO TECH INDUSTRIES
Gat. No.118/1,Near Philips, Post
Vasuli, Tal - Khed, Pune,
Maharashtra-410501

Unit -3

RAJ ENTERPRISES
Plot No. 62, Nagla Enclave, Phase-
1, Badhana Chowk, NIT Faridabad,
Haryana-121001

ABOUT US

We are engaged in **Manufacturing of Injection Plastic Molding, Rubber Molding and Sheet Metal Parts in Automotive Sector**. Over the years, we have established ourselves in the global market and at present, we are one of the most reliable name in the industry. Being an honest and dedicated company, We intent to reach new heights by manufacturing critical injection molding part with best quality products.

Jai Hind Auto Tech is an **IATF/ EMS/OH&S/EnMS** certified company.

OUR VISION:

To become India's leading supplier of plastic parts with global standard in terms of quality delivery & price using environment friendly technologies to all the segments of the industry by the year 2024.

OUR MISSION:

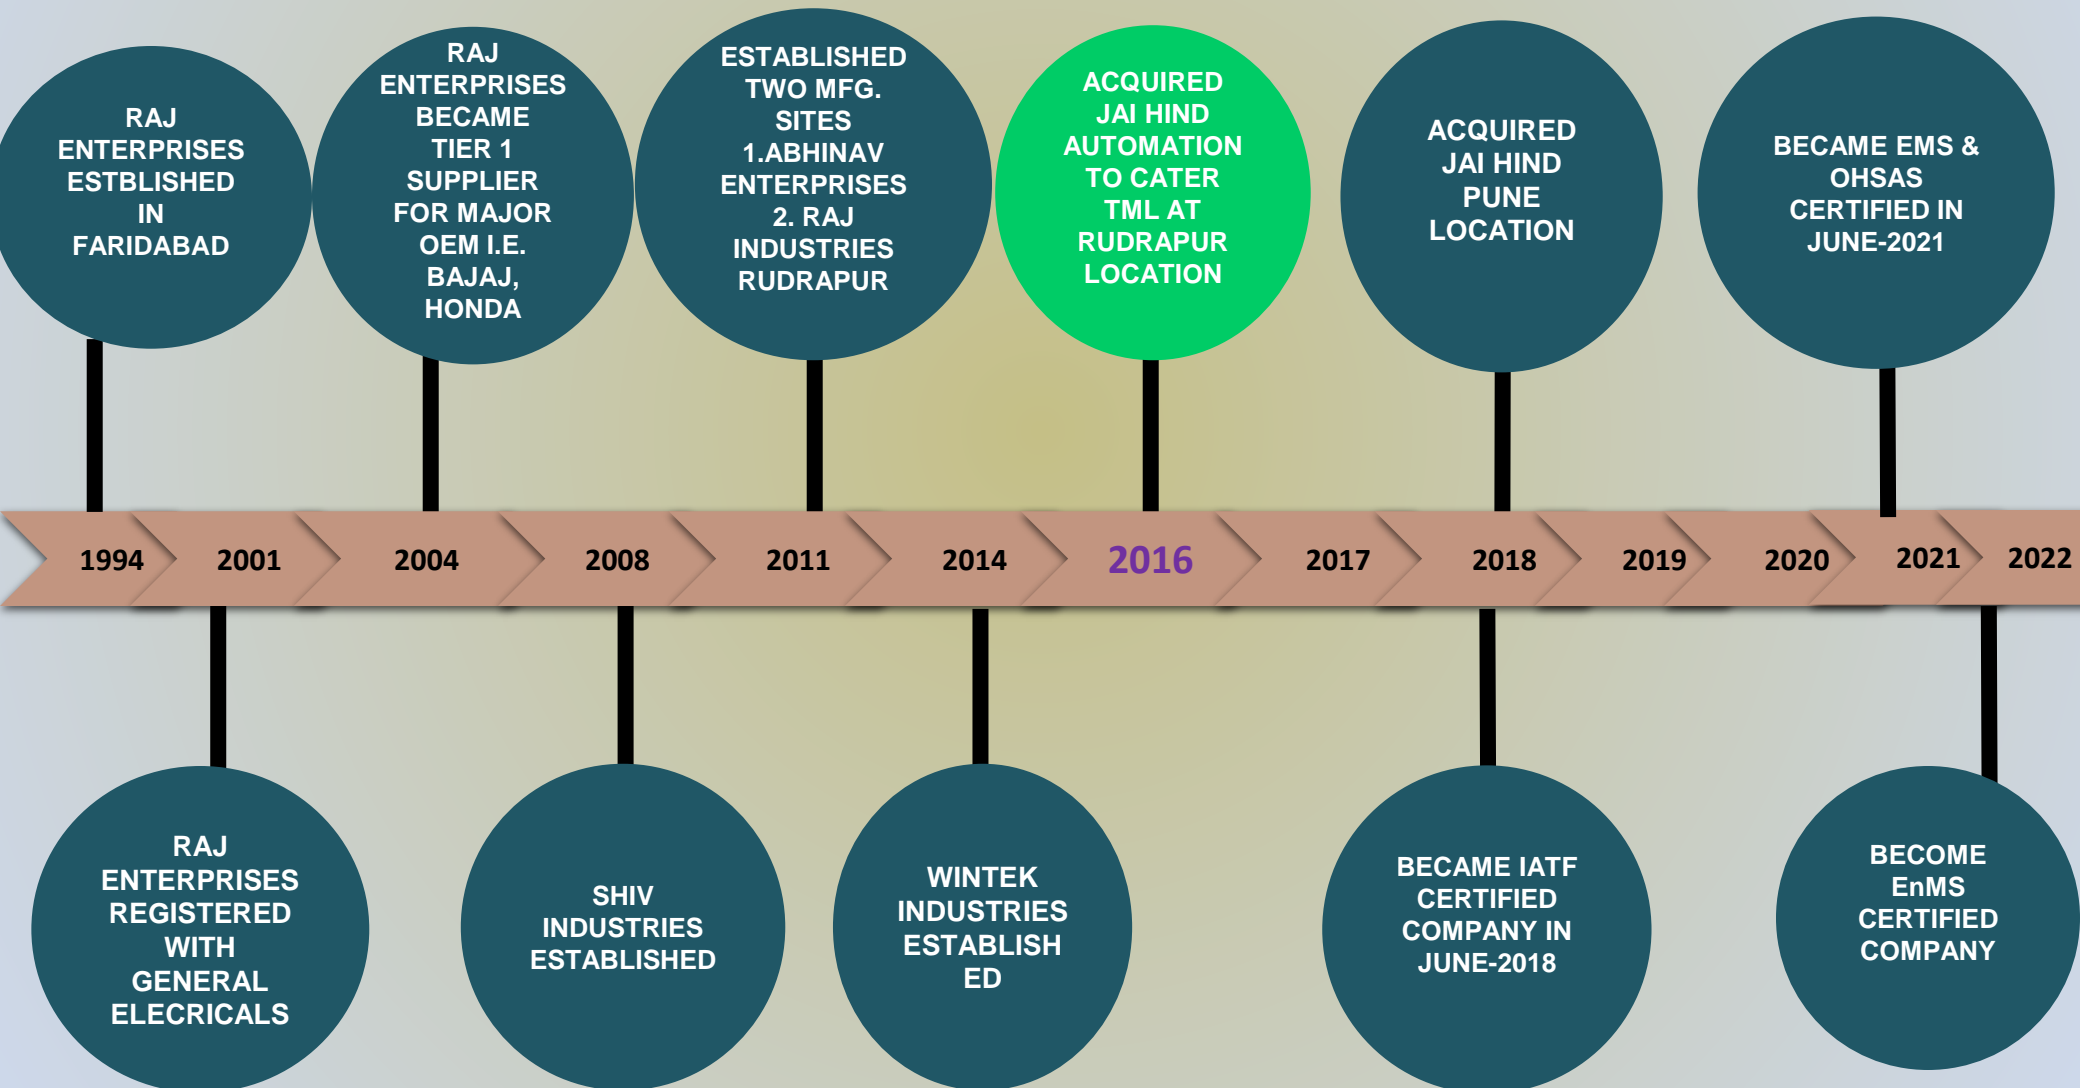

Our mission is to exceed customer's expectation by offering best services & products of world class quality at the most competitive prices to achieve significant continual improvement through reduction in all forms of waste and optimum use of all types of resources under safe working environment.

QUALITY POLICY

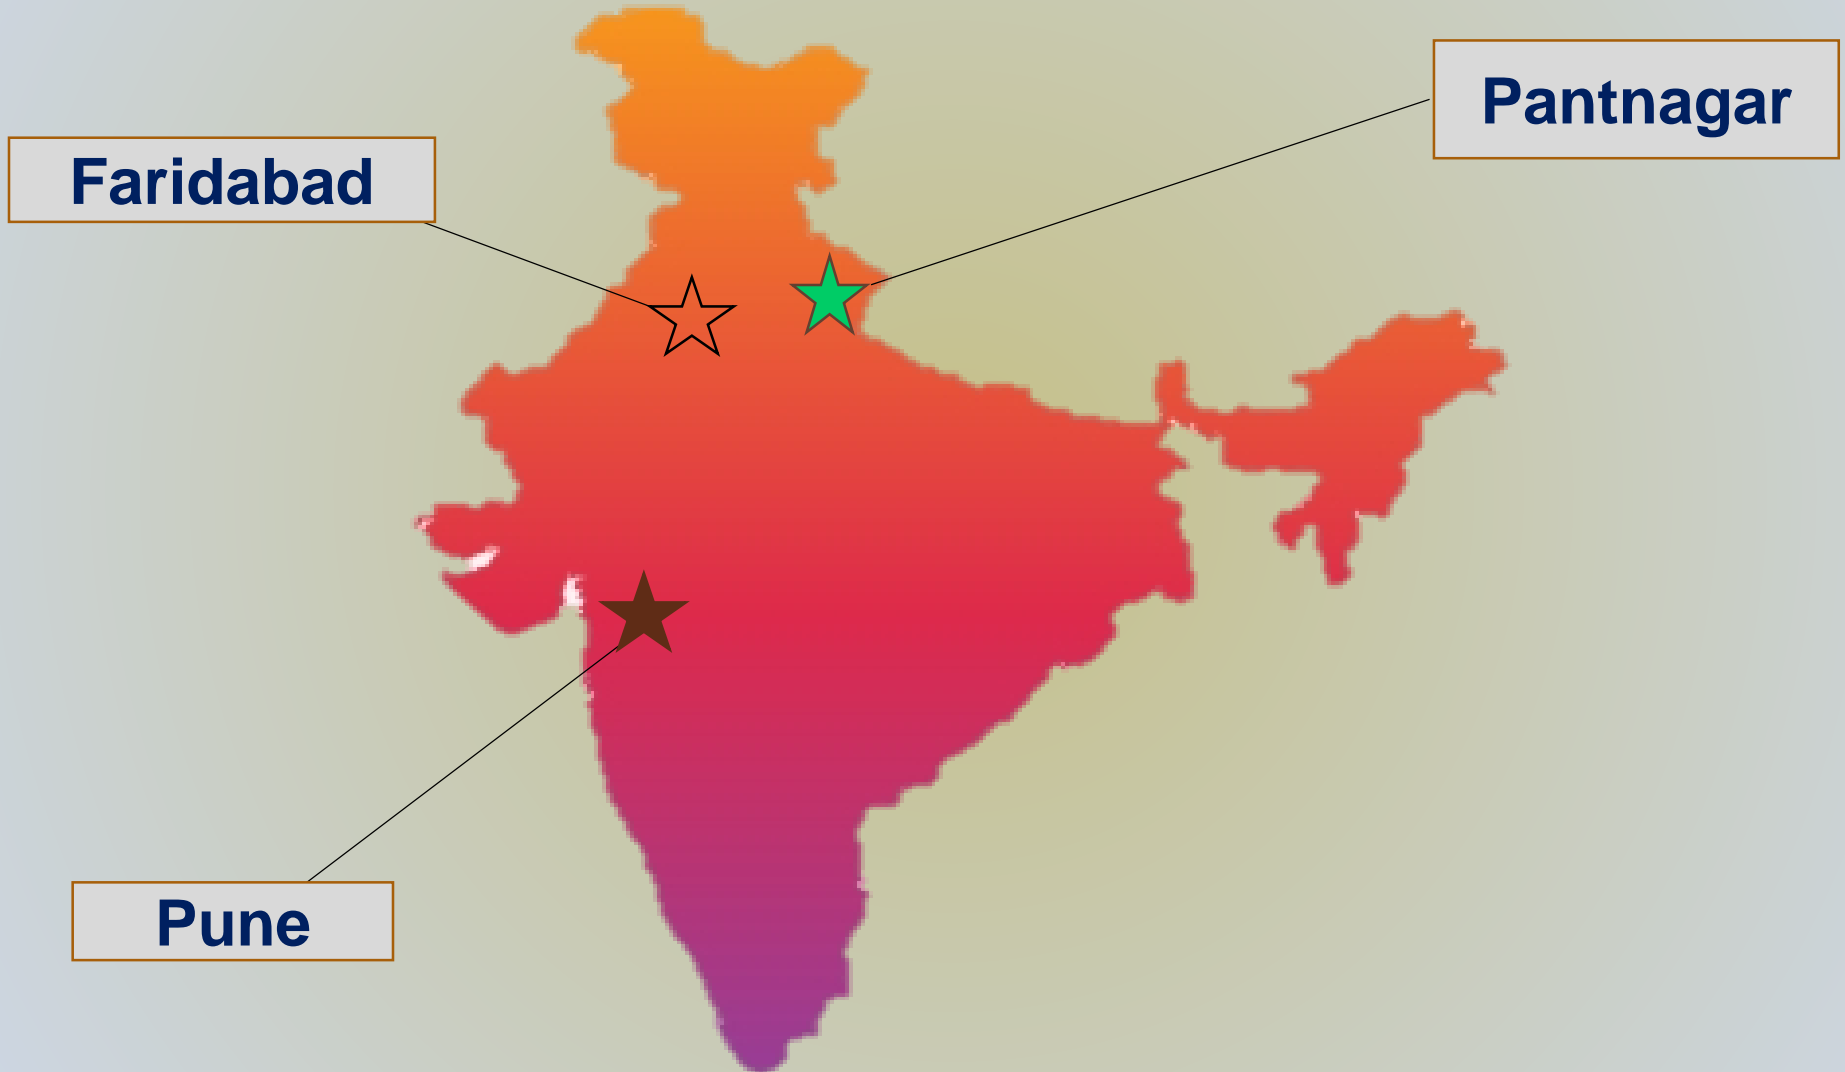

By using Optimal Utilization of 4M, deliver the Best Quality product at competitive cost in specified time duration.

- 1 Providing Defect free product to the Customer, eliminate the Field Failure**
- 2 Improving customer satisfaction**
- 3 Ensuring Delivery of Product on time**
- 4 Improving employees competence and involvement**
- 5 Enhancing product designing & tooling development capabilities**
- 6 Minimize In-house Non-Conformities**
